

OPC Area Program

Request for Application--Child Mental Health Funds for
Parent Training and Education
In Person County

OPC Area Program is releasing a Request for Application for parenting education and training programs in Person County. **The funding of these projects is dependent on receiving funding from the state and is not guaranteed.**

Target Population:

Youth over the age of three and under the age of 18 years and their families. Parenting education and training should be geared toward families and children with social/emotional/behavioral challenges and/or multiple risk factors including involvement with social services or juvenile court.

Note: These funds must be used by June 30, 2012. Winning applicants will invoice OPC Area Program for expenses and provide periodic updates to the Person Collaborative on progress of the projects.

Interested applicants can submit questions in writing to Lisa Lackmann at llackmann@opc-mhc.org

Answers to questions will be posted on OPC Area Program's website:
www.opcareaprogram.org

Technical Requirements: Font for application should be Times New Roman size 12 by emailed to Lisa Lackmann at llackmann@opc-mhc.org

Submission Deadline: July 15, 2011 at 4:00 pm

Release RFA: June 22, 2011

Deadline for written submission of questions: June 29, 2011

Summary of questions and answers posted on OPC web site: July 1, 2011

Deadline for submission of application: July 15, 2011 at 4:00 pm

1. Description of proposal: How would your organization use the requested funds to provide parenting education and training in Person County? What curriculum will be used and is this curriculum evidenced based? These funds are ideally for start-up for services/supports that are sustainable after this funding. Please describe your sustainability plan for this project.

2. Budget narrative for use of funds:

3. Outcomes: What outcomes will be tracked to demonstrate success?

4. Background of Organization:

Describe your agency's experience in delivering similar projects as the one proposed? What has been your agency experience in sustaining projects and in obtaining multiple funding sources to sustain projects?

5. Agency Financial Information:

Attach certificates of professional liability and general liability.

7. Cultural Competency

Person Counties is a culturally and linguistically diverse community. How would your agency meet the linguistic and cultural needs of children and families in the county that you are proposing to work?

8. Collaboration

Please describe your organization's connections to other agencies and organizations in Person Counties.
