

**OPC Area Program  
Request for Applications  
Trainer for Dialectical Behavior Therapy for Adolescents**

OPC Area Program seeks to contract with a trainer to provide training in use of Dialectical Behavior Therapy (DBT) with adolescents and facilitate a DBT therapist consultation group for clinicians who serve adolescents.

OPC desires candidates who are experienced both in delivering DBT to adolescents and in training this model. OPC wishes to offer four full days of training during Fall 2008. Two of these days are to focus on DBT individual therapy and two days are to focus on skill building. The contract will further include a weekly therapist consultation group of six months duration followed by a bi-weekly therapist consultation group of six months duration.

The rate for each full day of training is \$1,200

The rate for weekly consultation groups is \$150 per hour, with a limit of 1.5 hours each week.

Interested candidates should return the application, below, to Cim Brailer at [cbrailer@opc-mhc.org](mailto:cbrailer@opc-mhc.org) by August 15, 2008.
